## Lexis Hibiscus In All Its Glory 光芒万丈的迷人大红花

The stunning night view of Lexis Hibiscus Port Dickson is world renowned, especially when viewed aerial from the sky or the top of the main tower, the hibiscus truly mesmerizes with its lights and life. That's why we have decided to give the night view a facelift with the installations of new LED light fixtures on the rooftop of each water villa. These new light fixtures provide a delicate, ethereal glow that is softer yet eye-catching, ensuring that come nighttime Lexis Hibiscus, though equally majestic in daylight, will gleam and dazzle its way into both your eyes and your heart.

马来西亚大红花（丽昇精选酒店）的迷人夜景举世闻名，尤其是从高空或从主楼顶部俯瞰时，其灯光和生机令人情不自禁为之着迷。因此我们决定在每栋水上别墅的屋顶安装新的LED灯具，让这夜景更为填色不少，焕然一新。这新的夜景比之前多了一种柔和的朦胧美，优雅的光辉更引人注目，让月光底下的马来西亚大红花与白天时对比也毫不逊色。

## A Taste Of Traditional Dishes From The State Of 9 Wonders

### 来自九州的传统美食精髓

In conjunction with Visit Truly Asia Malaysia 2020, Grand Lexis Port Dickson and Lexis Hibiscus Port Dickson are given the honour to pay tribute to the culinary tradition of Negeri Sembilan in the MAH NS Food Festival 2020 organised by the Malaysian Association of Hotels (MAH) Negeri Sembilan Chapter. The official food-tasting was recently hosted by Grand Lexis Port Dickson where YAB Menteri Besar Negeri Sembilan had a delectable day sampling the food alongside the MAH members. The year-long festival will see 20 hotels and resorts offering rare traditional cuisines with historical significance to their guests as a way to promote these otherwise lesser-known delicacies to tourists as well as the younger generations. Lexis Hibiscus and Grand Lexis Port Dickson will be taking the lead as the first two resorts to do so throughout the month of January.

## Beach Cleanup by Grand Lexis & Lexis Port Dickson

### 丽昇酒店极力还附近海滩一片干净

Almost 50 members of staff from Grand Lexis Port Dickson and Lexis Port Dickson had recently dedicated their day to making the beach area surrounding the resorts cleaner and more welcoming for the resorts' guests. With gloves on and garbage bags in hand, the resorts' staff set off in groups to pick up whatever litter in sight. Some were even equipped with rakes and dustpans for more thorough cleaning. Litter not only takes away the beauty of our beaches, it also threatens our wildlife and affects public health. With that in mind, all the hotels and resorts under Lexis Hotel Group take it upon themselves to carry out such activities from time to time, while at the same time partake in various environment preservation and restoration activities organised by various parties as a way to contribute to the community, as well as to lend Mother Nature a helping hand.

来自丽昇海上泳池别墅和丽昇海上度假村的近50名员工最近共度了非常有意义的一天，携手清理了度假村周围的海滩，让它变得更干净，更引人入胜。每个人都戴上了手套，手里拿着大型垃圾袋，成群结队浩浩荡荡的出发到海滩去，沿路去捡任何目光所及的垃圾。有些酒店员工还配有耙子和簸箕，以便需要时进行更彻底的清洁工作。垃圾不仅破坏我们美丽的海滩，它还威胁到我们的野生动物和影响公众健康。考虑到这一点，丽昇酒店集团旗下的所有酒店和度假村不时都会开展此类活动，同时也竭尽所能的参与由各方组织所主办的各种环境保护和恢复活动，为社会作出贡献的同时也为大自然伸出援手。

## A Fun Day with Superheroes at Lexis Suites Penang 与超级英雄共度富有意义的一天

In conjunction with the joyous celebration of the Festival of Lights, Lexis Suites Penang brought cheers to the unprivileged residents of Pertubuhan Rumah Kebajikan Seri Cahaya Pulau Pinang. The special appearance of the hotel's Sports and Recreation team donning various superhero costumes literally lit up the faces of the young ones, as they took time off from their busy schedule of saving the world to enjoy some fun activities and games together with the young ones. There were also plenty of dancing and singing going on as the staff lead the children to break a few moves along to catchy Deepavali tunes. After the children got tired from all the fun, they were treated to a sumptuous Diwali feast specially prepared by the hotel's chefs. More surprises were in store for them as Mr. Ben Ho, the General Manager of Lexis Suites Penang then graciously presented each of them with Deepavali packets and cute stationery sets, as well as supplies of daily essentials to bring more comfort and ease into their lives. Nothing warms our hearts more than to see the young ones beaming with excitement, as they bashfully accepted the heartfelt tokens before scampering along with gifts in their hands and grins on their faces.

## Visit Malaysia 2020 to Attract 30 Million International Tourists 2020大马旅游年将吸引3000万国际游客

Officiated by the Honourable Prime Minister of Malaysia Tun Dr. Mahathir Mohamad in a ceremony at Kuala Lumpur International Airport July this year, the main objective of the Visit Malaysia 2020 is to boost the influx of international tourist into Malaysia. With this new campaign, the government hope to attract 30 million international tourists to visit the country by uniting all industry players to present the best hospitality experience and tourist attractions to our visitors, focusing on ecotourism, arts and culture; the strengths that has been the driving forces behind the success of our country's tourism industry.

Based on the very same objectives as the Vision 2020, the government hopes to reduce the negative effects of tourism development and help the local community to directly benefit from the tourism industry. "We will welcome visitors from all over the world to experience the uniqueness and beauty of Malaysia's ecotourism attractions, including our rainforests, mountains, islands and beaches. Visitors will have the opportunity to immerse themselves in our diverse culture, arts, heritage and history," said Tun Dr. Mahathir. The whole country, including government ministries and non-governmental organisations alike is working together to ensure the success of the Visit Malaysia 2020 Campaign. Our airlines are partnering with foreign airlines to launch new routes into Malaysia from key international destinations, hence enhancing connectivity to Malaysia. Visa on Arrival facilities are also currently available in more entry points to ensure visitors from China and India, two of our fastest-expanding tourist markets, a hassle-free experience when entering our country.

The logo representing the campaign features a rhinoceros hornbill, a wild fern and a striking red hibiscus- the national flower of Malaysia, the very flower that inspired the architectural design of the iconic Lexis Hibiscus Port Dickson, which has turned into a prominent tourism landmark and attraction ever since it opened its doors to travellers from all across the globe. As our national flower, the red colour of the hibiscus symbolises political and economical stability, and the various colours, sizes and shapes of its different species signify the multicultural and multi-beliefs races living in peace and harmony.

今年7月，马来西亚首相敦马哈迪·莫哈末在吉隆坡国际机场为2020大马旅游年举行了隆重的开幕仪式。通过此次活 动，政府希望能够联合所有旅游业的佼佼者，向我们的游客展示最好的接待体验和旅游景点；以生态旅游、艺术和文化为重点（这些优势一直是我国旅游业成功的驱动力），吸引3000万国际游客来马来西亚旅游。

本着与2020宏愿相同的目标，政府希望减少旅游业发展可能会带来的任何负面影响，帮助当地社区直接从旅游业当中受益。“我们欢迎来自世界各地的游客来体验马来西亚独特而美丽的生态旅游景点，包括我们的热带雨林、山脉、岛屿和海滩。游客将有机会沉浸在我们多元的文化、艺术、遗产和历史中。”敦马哈迪医生说道。整个国家（包括政府部门和非政府组织）正在共同努力，确保2020大马旅游年活动马到功成。我们的航空公司更与外国航空公司合作，推出从主要国际目的地到马来西亚的新航线，从而加强与马来西亚的联系。目前在更多的入境口岸也提供落地签证服务，以确保来自中国和印度（这两个我们发展最快的旅游市场）的游客在进入我国时会更方便。

其活动的标志由犀鸟，野生蕨类植物及一个引人注目的大红花（马来西亚的国花）为主。大红花启发了马来西亚大红花（丽昇精选酒单）的建筑设计灵感，进而让酒店在开始营业后成功吸引了来自全球各地的游客，并成为一个著名的旅游地标。作为我国的国花，大红花的红色象征着政治和经济的稳定，不同品种的各种颜色、大小和形状象征着生活在和平与和谐中的多元文化和多信仰的种族。
